Some combination examples with transparent faceplates

Combinations with transparent faceplates sometimes give surprising results.

Personalize your in-ears with your own image and/or logo*

+ € € €

Send us a picture of at least 1000 x 1000 pixels that you have chosen and we will process it on your faceplates. We can also add your personal logo or icon and apply this to the faceplate. Below you can see some examples. The options are unlimited.
