

### PROFESSIONAL IN-EAR MUSICIANS' MONITORS WITH PASSIVE AMBIENCE

#### Hearing is everything to a musician.

Until now performers have had to choose between a dedicated in-ear monitor mix or an ambient experience. Now, you can hear and feel the energy and input from the audience, fellow performers and the stage— together with the incredible audio clarity, frequency response, and punch that only a Westone Audio® In-Ear Musicians' Monitor can provide.

Let the world in...and set the stage for the best performance of your life!
